PATENT ATTORNEY

Sir:

In response to the Interview Summary attached to the Advisory Office Action of November 20, 2006, the Applicant states that the substance of the interview was exactly as outlined by the Examiner, in that the Examiner courteously called the undersigned attorney and indicated that the response that had been filed had been reviewed and the Request for Reconsideration did not place the application in condition for allowance. An Advisory Action has now been received.

No claims were allowable, and the Response was not entered.

Respectfully submitted,

WESTMAN, CHAMPLIN & KELLY, P.A.
